

February 4, 2021

Dear Parents,

Hello Parents! We have had a great week! Everyone has finished our latest Bible units. The Lower Grades finished their unit about the Israelites in the Wilderness. They explored the idea of fear. Fears we can see and fears we can not meet. They explored how to handle fears. The Upper Grades finished a unit about God's Grace and how it relates to our relationship with Jesus. We talked about different situation that can lead us away from our Savior. We explored the character of a true repentant heart. For the next two weeks, Bible classes will be taught by Union College education students.

Thank you for making sure our kids are prepared to play in deep snow. Next week we will be having frigid temperatures. Next week, please make sure your child is prepared to play in deep snow and frigid temps. Boots and shoes to change into are a must.

Next Friday we will be having our Valentine's Day party. If your child is planning on giving out Valentine's Day treats, please make sure that they are prepackaged. Your child can bring for just their class or the entire school. Please don't select just a few students. If you need the correct spellings of names, let me know.

One last note, we are helping one of our friends at Union College to complete their Masters Degree. She needs to interview parents about the role of technology in your child's lives. Please look for a letter from her in your emails early next week. (The email will come from Mrs. Simpson---but the letter is from her)
