To A Loving Wife

*Although our worlds are different now
Or is that just how it seems
For I see you when I close my eyes
Because you're always in my dreams*

*I know you're up in Heaven
And looking down on me
And when I look up at the stars
I know that's where you'll be*

*Even though I miss you
You're not too far away
Because my heart is full of memories
And I treasure them everyday*

*Our time on Earth was special
But it's only the very start
So please keep watching over me
While we're not so far apart*

*Someday the time will come
When I no longer feel this pain
That is the day when Heaven calls
And we will meet again*

If Roses Grow in Heaven

If Roses grow in Heaven
Lord, please pick a bunch for me.
Place them in my Mother's arms
and tell her they're from me.

Tell her that I love her and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.

Because remembering her is easy,
I do it every day,
but there's an ache within my heart
that will never go away.
