A Letter From Heaven

*When tomorrow starts without me
And I'm not here to see,
If the sun should rise and find your
Eyes, filled with tears for me.*

*I wish so much you wouldn't cry,
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me too.*

*When tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right there in your heart!*

If I've learned anything down through the
Years, it's that nothing beautiful in
this world ever really lasts, those we cherish
will always live on in our memory.
