

Food for Thought

Sanctification is a progressive work...Here is a course by which we may be assured that we shall never fall. Those who are thus working upon the plan of addition in obtaining the Christian graces, have the assurance that God will work upon the plan of multiplication in granting them the gifts of His Spirit...By divine grace, all who will may climb the shining steps from earth to heaven, and at last, "with songs and everlasting joy," enter through the gates into the city of God
