The August the centre will launch a Monday night doubles competition and the Carrara Academy (sitting below the Winning Edge). New product planned to launch in the coming months include; Play Move Learn, Female only and business-based competitions.

Facilities Under Threat

Over the last month Squash Australia has been contacted a couple of times about facilities which have either been sold and are to be redeveloped into kindergartens / gyms. For Squash Australia to provide proactive assistance it cannot be stressed enough how important it is to let Squash Australia know as soon as possible. Squash Australia can then work with the State, Local Council, Regional Sport Assemblies/ State Sporting Organisations etc. to determine the best course of action to ensure the ongoing provision of squash facilities.
