

To the world, you may have been just one person, but to us, you were the world. We are grateful for the time we shared, for your laughter that filled our hearts, and for the love you generously gave.

Although we are saddened beyond words, we find solace in knowing that you are free from pain and resting peacefully. We will honor your memory by cherishing each moment, being kind, and sharing love as you did.

Until we meet again, we carry you with us in our hearts and souls.

*"A beautiful soul never dies. It brings us together again and again. In the breeze, we feel your presence, in the sunlight, we see your smile, in the silence, we hear your voice, and in our hearts, we will carry you forever. Your life's love and light will forever guide us, until we meet again."*

**Remember Me**

*To the living, I am gone. To the sorrowful, I will never return. To the angry, I was cheated, But to the happy, I am at peace, And to the faithful, I have never left. I cannot be seen, but I can be heard. So as you stand upon a shore, gazing at a beautiful sea, remember me. As you look in awe at a mighty forest and its grand majesty, remember me. As you look upon a flower and admire its simplicity, remember me. Remember me in your heart, your thoughts, your memories of the times we loved, the times we cried, the times we fought, the times we laughed. For if you always think of me, I will never be gone.*
