## Wachusett Hills Christian School principal-teacher does it all

WESTMINSTER — Wachusett Hills Christian School hosted its 12th annual benefit concert on May 5, and commemorated the 25th year of service of principal and lower grade teacher Edie Conrad.

A plaque and gifts donated by the Gardner Seventh-day Adventist Church members amounting to \$650, a testament to how much she is loved and revered by the church members, students and school board alike, was presented to her by Dale Spencer, who is the Wachusett Hills Christian School board chairman.

As a credit to her service, dedication and commitment, Conrad has established the astounding record of never having called in sick even one single day over the course of that entire 25-year duration.

Wachusett Hills Christian School still has a few openings left for the 2018-2019 upcoming school year for anyone who might be interested in attending. Feel free to call, stop by and/or access the school website for more information at [www.whchristianschool.org](http://www.whchristianschool.org).
