Release Me

*Release me. Let me go
I have so many things to see and do.
You mustn't tie yourself to me with tears,
Be happy, we had so many years.*

*I gave you my love and you can only guess,
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.*

*So grieve a while for me, if grieve you must
then let your grief be comforted by trust.
It's only for a while that we must part
So bless the memories with in your heart.*

*I won't be far away, for life goes on,
So if you need me , call and I will come.
Though you can't see or touch me, I'll be near,
and if you listen with your heart,
you'll hear all my love around you soft and clear.*

*And then, when you must come this way alone,
I'll greet you with a smile and say,
"welcome Home".*
