

STRETCH FABRIC

RECTANGLE COUNTER

The fabric-based counter that is easy to set up and transport

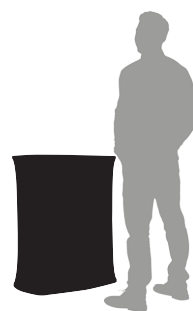

- Lightweight and strong aluminium hardware components.
- Includes a bespoke-printed graphic on Stretch Fabric.
- Printed in-house on a VUTEk FabriVU 340.
- Finished in-house by our team of sewing machinists.
- Includes a carry bag that contains the unit hardware and can also hold the graphic for easy portability and transportation.
