That's right! It is time once again for.... The Annual Les Saints du Vin Tournament of Champions.

Join us on November 11 at 4 PM, on the lower level of the parish hall for a true clash of titans as winning wines from 2018 go head-to-head to decide which is our favorite for the year (unless, of course, we all decide a month later that we really liked the winning wine from December of 2018)

But, no matter. Be ready to sip our winners while enjoying some of Oscars best moments as well. See you then.

Marissa and Ken. Please RSVP by replying to all. It will only go to John and I, Ken and Marissa.

This tasting will be held in the Parish Hall, probably in the upper level, but possibly downstairs depending on the progress being made on replacing the upper level ceiling.

When Marylanders approved casino gaming, we thought the new revenue would increase education funding. But instead, nearly \$2 billion of that money has been redirected to other parts of the budget. Voting YES on Question 1 will stop this budget gimmick and keep a promise made to voters that casino revenue would increase school funding instead of being used for other purposes.

Did you know that Calvert County schools are underfunded by: \$43,590,392. Voting YES on Question 1 (on Election Day) to Fix the Fund is the first step in closing the underfunding gap. For more information, go to <http://www.fixthefundmd.org/>

Disaster Program. Through our partnerships with Episcopal dioceses, we offer resources and training to help people prepare for disasters and provide emergency support so vulnerable people can make a sustained recovery after the storm. The benefit of our partnership with Episcopal churches is that these congregations are already deeply integrated within their communities. In other words, the Episcopal Church is there before responders arrive and will remain long after the news cameras have gone. You can help provide critical relief to affected communities by donating to our Hurricane Relief Fund.
