

## Heavenly Father Loves Me

Testimony of Judy Smith

Heavenly Father loves me,  
Heavenly Father cares,  
Heavenly Father listens,  
each time I say my prayers.  
I know that He is watching,  
I know that He does see,  
Because He loves each one of us,  
We are His Family.

Heavenly Father blesses,  
Heavenly Father shares,  
In beauty that surrounds us,  
His Light is always there.  
I want to spread the gospel,  
Help me do the best I can.  
To find someone who seeks the truth,  
Who will follow the Lord's command.  
Let me share the sacred words,  
for I know that they are true.
