UP COMING EVENTS:

Development Drive –Our second turn in date is this Friday, Nov. 30. There will be a drawing held with each turn in date. Our final turn in date: Dec. 7! This is the most important fundraiser we do and it goes to help our scholarship program. Please participate prayerfully with us.

Tractor Parade - December 1 @ 7 pm this Saturday night is the annual Tractor Parade. This fun event is held in Calistoga on the Main St. Students get your hayride through the tractor parade of lights (for those participating); we will meet at Logvy Park (Calistoga Pool), past the Calistoga Fairgrounds at 6:00 pm. This is also where parents can collect their cherub after the parade. Event held rain or moonlight!

Additional ways to help:

✚ Help with decorating, at Deno's on Friday, Nov. 30; 2:00 PM. call the office or Deno at 707.339.6409. 3860 Silverado Trail, Calistoga.

✚ Help with tear down after the parade.

See's candy - final turn in date is Tuesday, Dec. 4. Please turn everything in that morning so it can be processed – yummmm!

Welcome Back Foothills Families!

I pray that your break was filled with joy, blessings and memories to last a lifetime. I hope that your Thanksgiving Day encompassed family and hearts of gratitude. I am glad that each of you is back on campus and am forever grateful for your presence as part of our school family. Thank you for choosing Foothills!

We have so many wonderful things that are going to be happening over the next few weeks before our Winter break. The annual Calistoga Christmas Parade is this Saturday, December 1. Decorating will happen this week (please see details in the Express). We will be participating and your child will have an opportunity to ride on our "float", please see Ms. Deno for more details. The children will also be participating in our annual Christmas program and we are beginning to practice our songs. Please mark your calendar for these events. I hope to see you there!

Little Turtles-Infant Center

Books: That's Not My Reindeer, Duck & Goose: It's Time for Christmas, and Star of Wonder.

Craft: Christmas Trees

Colors: Red and Green

Little Frogs & Little Owls-Toddlers & Preschool

Worship: Jesus teaches at the temple and the Sabbath rest

Science: Why do leaves change color and how? The trees essentially go to sleep and some animals do the same by "hibernating."

Language Arts: Letters M T S D O

Students will practice naming these letters, writing them via our sensory bins, and identifying objects with the matching beginning sounds as the letters. They will also match lower case and uppercase letters

UPDATE

I will be planning to return to the Little Owls Class after the Winter break on January 3. I will be on campus intermittently as I am physically able during the next few weeks. I appreciate your prayers, understanding and support. I'm grateful to the staff at Foothills for all that they have done and continue to do in my absence. If you have any questions; please contact me.
