

Now I am contented
That my life it was worthwhile,
Knowing as I passed along the way
I made somebody smile.
When you are walking down the street
Or in a garden fresh and green
And you've got me on your mind
I'm walking in your footsteps
Only half a step behind.
And when you face the gentle breeze
Or the wind upon your face,
I'm giving you a great big hug
Or just a soft embrace.
So please don't be unhappy,
Just because I'm out of sight.
Remember that I am with you,
Every morning, noon and night.

On behalf of the family....

To those of you who have come to share in this hour of remembrance; to those who have extended expressions of sympathy and offers of assistance during bereavement; to those who assisted on the program and cared for the flowers; and any others who may have helped in anyway, thank you. May we say that your kind expressions of sympathy and caring are more deeply appreciated than any words can every express.
