

In Loving Memory

"But the love will have been enough; all those impulses of love return to the love that made them. Even memory is not necessary for love. There is a land of the living and a land of the dead, and the bridge is love. The only survival, the only meaning."

-The Bridge of San Luis Rey by Thornton Wilder

Your kind expression of sympathy and caring is more deeply appreciated than words of thanks can ever express.
The Family of Nancy Fuller

Nancy Ann Fuller
