Cynthia Denisse Ruffin Bynum

daughter of Leslie Thompson, Sr., and Pearl Ruffin Thompson, was born March 14, 1964 in Greene County, North Carolina. Her earthly life peacefully ended on Tuesday, September 13, 2022 with her devoted husband by her side. Along with her parents she was preceded in death by her grandmother, Eloise Ruffin; her brothers, Thomas Thompson and Wesley Zeno Thompson, Sr. Affectionately called 'Little Bit', Cynthia was reared in Greene County where she received her formative education from the Greene County Public School System. Entering the workforce, she was employed by Alliance One as a Crew Leader. Professional, dedicated, and resourceful, she was well received by her co-workers and the entire staff.

Loving, kind and compassionate, Cynthia enjoyed life and the many wonderful pleasures she received from her devoted husband of 45 years whom she loved dearly, her children, grandchildren, great grandchildren who were the joy of her life, her friends, and her work which was a positive force in her life. When she loved, she loved hard even the people she met. She believed in the love of God and carried that spirit with her in her daily life. A gardener at heart, Cynthia had a green thumb. She planted all kinds of vegetables in her garden and different flowers around her house. Everything she touched grew especially her flowers. Even if it looked like they were dying when she finished nurturing them, they perked up again. Cynthia was a hard worker who loved nature and its beauty. She loved landscaping and would assist and advise her husband on the jobs he received. Every holiday that came, she would light up the town she lived in, especially Halloween and Christmas. A shopper-cholic with a big smile, she was off to Walmart, Roses, or the Stockyard. To know Cynthia was to love her. She had a warm gentle heart for everyone especially her pet dog, her fur babies that she loved to walk and play with. A dear beloved heart is now at rest to always be remembered with joy and thankfulness.
