Sharleen Kay Kaiser Hovorka was born on February 16, 1936 to Donald and Emily (Killian) Kaiser in Yankton, SD. She grew up on a farm near Tabor, attending rural school. She graduated from Tabor High School. She worked at her aunt's café through high school. She then worked as a waitress in Yankton for a while.

Sharleen married Richard Hovorka, April 23, 1956. They spent a year working in Montana before returning to the family farm, where they lived all their remaining years. She spent her life raising four children, planted a garden each spring, raised chickens and ducks. She enjoyed sewing, embroidering, crocheting and almost any craft. She also enjoyed painting saw blades and wood decorations. Sharleen loved to bake kolaches and rolls and sold them at many craft fairs and farmers markets.

She was a life member of the Kortan-Hatwan American Legion Auxiliary. She and Richard enjoyed going to State Legion Conventions and several National Conventions. She was also a member of the Simek-Ptak VFW Auxiliary in Tyndall. They enjoyed going to several of Richard's Army Reunions. She enjoyed doing jigsaw puzzles and listening to Molly B.
