February 28, 2020

Parents,

We are in the planning of our annual fun Field Day for this year. The date has been set for **Thursday, April 30**. This is a great day to fellowship with our classmates, playing games, getting to know one another and having fun. LAA will provide a free picnic lunch for each student.

The Field Day T-shirts will come in an assortment of different colors per team and will cost **\$9.00 each**. **Additional** cost will be **\$2.00** per shirt for 2- X large or larger sizes. Please fill out the order form below and send it back to school **by Monday, March 16 with payment**. Please fill out one order form per child so we can get the correct color and size ordered for each student. Students will receive their shirts the morning of Field Day. We say thank you for making this a great day for the kids.

God Bless,

David Matthews
