January 18

100th Day of School

January 22-26

Parent/Teacher Conferences

January 31 - February 2

No School
Teacher In-Service

Dear Parents,

Please make sure you review the lunch menu daily with your students. We are seeing too much food being thrown away because they do not like the food that is being served. Thus, they are hungry the rest of the day and food is wasted. Please pack a lunch that your child will enjoy if they do not like what is on the menu.

Attention!

Step Up For Students

Step Up has reopened for re-enrolling families. Go to the website <https://www.stepupforstudents.org> and get your applications in early. Step Up has created a new application process, so we cannot stress enough to get started on this process early. If you need guidance with the new system, please call Miriam in the front office to schedule an appointment. Because this is a new process, appointments need to be made. Thank you for your understanding.

PCAS School Re-Enrollment Open Soon

We are in the process of preparing the re-enrollment for 2018-2019 school year. Enrollment will again be online for renewing families. If you need help with enrollment, please make sure that you make an appointment with the office to complete all required documents. We will be opening up enrollment for current families for a month and then open for outside families. Many classes are at maximum capacity, so once open to those outside the school, it will be on a first-come, first-served basis. Keep an eye out for dates of parent enrollment nights.

Important

January Art Contest:

We have been receiving some incredible art work from the students, and they are being hung up in the main lobby. Feel free to stop by and see some of the great artistic ability that our students possess. This month's art theme is pointillism. We will post examples on the website.

Mark your Calendar

4th Grade Manatee Park, January 13th

This Saturday, January 13, Mr. Claus's 4th grade class will be heading to Manatee State Park. This is a great time of year because of the cool weather several manatee families swim in the parks waters to stay warm next to the electric plant that is nearby. This will be an awesome trip! We will be leaving right after church service. Pack a lunch and come enjoy a day in God's creation.

PCAS Shoe Drive, January 16th

PCAS students and our church family will be coming together to collect shoes for third world countries. Please make sure that the shoes you send in have matching pairs and are lightly used or new. We are collecting all sizes adult through children, and they can be any style. The program will run now through the end of March.

No School; Martin Luther King Jr. Day, January 15th

Please mark your calendars for Monday, January 15th. There will be no school for staff or students.

100th Day of School, January 18th

We are officially more than halfway through the school year. Keep an eye out for events that will be taking place in each classroom for the 100th day of school.

Parent/Teacher Conferences, January 22-26

Parent/teacher conferences are quickly approaching. For K-4th Grade schedules have started going home to pick 3 times that you may be available to meet. These meetings are mandatory so if you cannot make the times given you will need to call the teacher to make arrangements. Grades 5th-10th will have meetings times set up to meet all upper grade teachers in the gym, and they will be done on a walk-in basis like in the past.
