## Supply List 2019-2020

Below is a basic list of supplies that will be needed by your child/children for the opening of the 2019-2020 school year. These items will need to be replaced periodically throughout the year. A reminder will be sent home when the supplies need to be replenished. If for some reason you are unable to provide these supplies, please let the teacher know. Thank you.

### Book Bag/Backpack

Purchasing a book bag/backpack is a necessary item for all grade levels. It is important that each child have one, as it does protect the textbooks and papers to and from school. Please make sure that the child's name is printed on it.
