Dear Parents,

I would like to thank you for considering Elkhart Adventist Christian School (EACS) as a place to educate your child(ren)). We are a small school that welcomes anyone who would like a Christian based education. We work hard to meet the educational needs of the children that we serve.

In this website, you will find all the documents that you will need to fill out to register your child(ren).

1. Application to the Seventh-day Adventist School
2. Consent to Treatment form - MUST BE NOTERIZED.
3. Computer Contract
4. Health Inventory (new students must have a physical on file)
5. Records release (if applicable)

In addition to the above documents, those entering first grade must bring a birth certificate to provide proof of age.

I pray that God will continue to lead you as you contemplate the best place to educate your child(ren).

In Christian Service,
Mrs. J. Feather,
Principal/Teacher
