

# Love Delivers

Thank you for applying for the Love Delivers grocery assistance & delivery program. Our sincerest sympathies for the challenging times that you are facing currently due to COVID-19. This program exists to help ease the strain just a bit.

The Paradise Adventist Church is grateful for the opportunity to partner with Love Paradise, Love Your Neighbor and Holiday Market to offer this service to Camp Fire survivors in the face of the current pandemic. Here is how the program works:

- 1) Apply for Assistance
- 2) Receive Initial Email from Love Delivers-either acceptance or denial into program
  - a. If accepted, skip to #3
  - b. If denied, thank you for applying, but it is likely you did not qualify due to our grant stipulations
- 3) Email grocery list to [lovedelivers@paradiseadventist.org](mailto:lovedelivers@paradiseadventist.org) with your full name and date in the subject line
- 4) You will receive \$50 worth of grocery assistance through Holiday Market. If your grocery bill goes above \$50, Love Delivers will process a credit or debt card for the difference. We utilize the services of Payroc, [www.payroc.com](http://www.payroc.com), ensuring the highest level of confidentiality and privacy. A representative from Love Delivers will be contacting you for payment.
- 5) Your groceries will be delivered for free as soon as full-payment has been received.
