(**May 21 & 22, May 26 contingent school closing days**)

Home & School

Last night we had a great turn out for our annual International Food Festival. The food was great as usual. A big **Thank You** to all the vendors and to Kelsey Hayes for putting this together. **Thank you** to all who set up, helped during the event, and cleaned up! Looking forward to next year's "International Food Festival"!!

Next **H & S** event will be the **Color Run**. Start working on your list of people you will be contacting for sponsorship.

Parent Volunteers

The appeal for your help is still needed, even though it hasn't been in the newsletter. Contact your child's teacher or Mrs. King to see what you might be able to help with. The charge is still \$25/ month if you don't come and do something at the school.

After School Care

We have been glad to be able to provide after school care to parents who need this service. It is not easy to find someone willing to do this job. One person who did it previously found it not be worthwhile as it was difficult to get paid at times, and it often felt like they were being taken advantage of. If we lose our current provider, it is unlikely that we will be able to find another soon. You can ensure that this service continues by respecting the following guidelines:

- The "meter" stops running when you sign your child out, not when you enter the building.

- Pay your bill promptly, each week on Friday.

- Never leave the building with your child without letting Mrs. LaFlair know that you are doing so. Again, until you sign out, the meter keeps running.

Thank you for ensuring that this privilege continues.

Eighth Grade Fund-raisers

Every day popcorn and juice are available to purchase, and will be served at lunchtime or before they leave on Friday.

Popcorn- **\$1**

Juice- **\$.50** /large
\$.25 /small

Pizza- **\$2**

Taco Bell and pizza will be sold on alternate weeks by the 8th grade class. **Taco Bell** on **Tuesdays** and **Pizza** on **Thursdays**. Taco Bell items are from the dollar menu and other items not on the dollar menu. All items start at \$2 unless you purchase a more expensive item and money is due at the time of your order. **(Feb 13, Pizza)**

Pre-k Program

We're accepting applications for the 2020-21 school year. We have openings for 4 children. Please contact Mrs. Kaiser if you would like to send your child to Parkview or if you know of someone who can benefit from this program.

School Closings & Delays

We have been blessed so far with a mild winter, but things can change rapidly here in central New York. Follow the guidelines below if the weather turns stormy:

Watch for **Parkview Junior Academy**

Specifically, (though we typically follow the actions of the Syracuse City School District, but not always) on channels 3, 5, 9, and 10 to keep up to date about school closings and delays.

Most channels do a running screen on the bottom of the TV even during commercials. If you have the channel 9 news app on your phone you can check for school closings and delays. Mrs. Kaiser tries to have that information to the television stations by 6 am.

BoxTops for Education™

Parkview is a BoxTops school. Please look for these labels on the products you buy. BoxTops are now scan able, so follow the instructions. You will need to scan from your grocery receipt, be sure not to toss it until you scan. You can also download the BoxTops app for an opportunity to receive special coupons and earn extra BoxTops. Every clip counts! Turn in labels to **Mrs. King** in the school office.
