Greetings to our New Creation CDC Families! We pray all is well with you during this unprecedented time in our world. We were not expecting to be out of commission this long so we wanted to provide you with a few updates.

UPDATE ON CENTER CLOSURE

We are currently following Mayor Muriel Bowser's mandate that all schools remain closed; however, the Office of the State Superintendent for Education (OSSE) will advise us as to when the Center can officially reopen based on updates from the Mayor.

AT-HOME ACTIVITIES

While you are at home with your children, we ask that you 'like' our Facebook page @newcreationcdc. We will have "Story Time Live" every Tuesday and Thursday, at 11:00 a.m. Please tune in with your child! We will also post daily activities you can do at home with your child.

If you do not have Facebook, then go to our website at newcreationcdc.org, scroll down to the bottom of the home page, click on the Facebook icon in the lower right-hand corner. You will be taken to Facebook. When you are asked to "log in" or "create new account", simply scroll down and select "not now". This will allow you to view our Facebook page as well as Story Time Live and activities.

Although the office is closed, please feel free to send messages to us via Facebook Messenger and we will get back to you. In the meantime, continue to implement safe and healthy practices, not only in your home, but when you are out and about in the community.

We miss you and look forward to getting back in the classroom where learning is fun!

Sincerely,
Harvey E. Reedy, Administrator
