

A million times we've thought of you.

A million times we've cried.

If our love alone could have saved you,

You never would have died.

In life we loved you dearly,

In death we love you still.

In our hearts you hold a place

No one can ever fill.

It broke our hearts to lose you,

But you did not go alone

For a part of us went with you,

The day God called you home.
