Graduate Art and Architecture Studios

The second and third floors of Weil Hall are home to the Sam Fox School's graduate art and architecture student studios on the North and South sides of the building. These studios are the private workspaces of Sam Fox School graduate students and should not be entered or disturbed in any way by an event taking place in Kuehner Family Court. The renter of the space is responsible for ensuring all guests at an event are courteous and respectful of the Sam Fox School's student studio spaces. Additionally, we ask that the noise volume of an event be kept at a reasonable level to allow for the Sam Fox students to concentrate and work in the surrounding studios, classrooms, installation, and critique spaces.

Room Set-Up/Tear-Down Policy

On the day of the event, **the renter is responsible for all set-up and tear-down tasks** – Sam Fox School staff will not be available to set-up or tear-down any tables, chairs, catering, or artwork. The tables and chairs in the court can be rearranged to meet the renter's needs for the event; however, the lounge furniture may not be moved, as some of the pieces are hardwired and bolted to the floor. No furniture may be removed from the court unless previously discussed with the space manager. No extra/outside furniture may be brought into the court, except for a folding/banquet table to set up food/drink. Any furniture that was rearranged must be returned to its original/standard set up once the event has ended. All signs, decoration, artwork, and trash must be removed by the end of the event. The Sam Fox School does not provide security for events, and is not responsible for any outside artwork, furniture, exhibition materials, or personal belongings brought into Kuehner Family Court related to your event.

Pre & Post Clean-Up

Kuehner Family Court is an open lunch and work space for students. Due to the high traffic nature of this space, it is highly recommended that the renter request a pre-clean before event start time. Sam Fox School **requires** external renters and internal Washington University renters to schedule a post clean-up of the court with WFF services when food and drink are present in the space. Renters can fill out the "WFF Special Service Request form,"- attached in this packet - and email the completed form to wffevents@wffservices.com. **The renter is responsible for scheduling the post clean-up (and pre-clean if applicable) and sending proof of the scheduled service to Lauren Hanahan at hanahan@wustl.edu.** If verification of a scheduled post clean-up is not provided, then the hold on the court will be lifted and the space will be available to other renters – No reservation will be finalized without proof of a scheduled post clean. Proof must be provided not later than 14 days before the event is scheduled to take place.

(Fees for cleaning services will be billed directly to the renter through WFF – any questions regarding rates and services should be directed to WFF – contact info for WFF is listed on the bottom of the request form).

For Sam Fox student groups or faculty groups, the post clean is waived for Monday-Thursday reservations when no food or drink is present, or light snacks are served. It is the responsibility of the student group or faculty sponsor to

ensure the space is reset in a clean, presentable way and the trash is removed. For larger events during the week or events held Friday or Saturday, the student group or faculty group will need to show proof of a required WFF post clean.

Audio/Visual

Kuehner Family Court does not offer any audio/visual equipment. Due to the furniture configuration of the space, A/V set-ups are very limited, time intensive, and only permitted on extremely rare, pre-approved occasions.

If A/V is necessary for an event and approved by the space manager, the Sam Fox School will **require** the renter to hire a trained A/V technician for on-site support for their event. The renter is responsible for hiring the A/V technician and sending proof of the hired technician to Lauren Hanahan at hanahan@wustl.edu. Please navigate to the link below to schedule a tech through WashU IT, choose the “request service” option to request your specific A/V needs for your event.
