Min Jung Kim

Barbara B. Taylor Director, Saint Louis Art Museum

Min Jung Kim was named the Barbara B. Taylor Director of the Saint Louis Art Museum in 2021.

She brings to St. Louis extensive experience in museum leadership roles. As the director and chief executive officer of the New Britain Museum of American Art, she enhanced the museum's profile through exhibitions and collection development designed to expand the definition of American Art and reflect greater diversity while strengthening community engagement and collaborative partnerships. As deputy director of the Eli and Edythe Broad Art Museum at Michigan State University, she was in charge of implementing the completion of the Zaha Hadid-designed museum and setting up its new operational infrastructure. As director of content alliances at the Solomon R. Guggenheim Museum, she managed collaborative projects among the Guggenheim; the State Hermitage Museum in St. Petersburg, Russia; and the Kunsthistorisches Museum in Vienna.

Min Jung Kim was born and raised in Seoul, South Korea. She graduated from Wheaton College and earned a master's degree in art history from the Courtauld Institute of Art at the University of London.
