Year 4	Architectural Design III 6 Structures I 3 Environmental Systems 3 Elective 3		Architectural Design IV 6 Structures II 3 Elective 3 Elective 3

***Calculus I (Math 131)** should be taken your first year unless you place out of it based on your AP or IB exam score.

****Physics 197** should be taken the first semester of your sophomore year unless you place out of it based on your AP exam score.

^**Sam Fox Electives** are any courses in Art, Architecture, or Design offered in the SFS.

A total of 122 units is required for each degree.

Courses in **bold** are required courses for the Architecture Major.

Courses not in bold are General Education requirements for each degree.

The highlighted semesters indicate when Majors in Architecture may study abroad in Florence, Italy, through the Sam Fox School. Students intending to do this should consult with their academic advisor ahead of time to plan their junior year accordingly.
