OPEN HOUSE

For the 2019-20 School Year

Tuesday, May 21, 2019 6:00-7:00 PM

We invite you to come meet our Teachers, Treasurer, & Home & School Leader. Learn about our innovative educational program, take a tour, & get all your questions answered.

We are a Christian elementary school with our foundation grounded in faith and a personal relationship with Jesus. We are a school of diversity, accepting children of all faiths and backgrounds.

It was found that in all grades, in schools of all sizes, students in Adventist schools outperformed the national average in all subjects!

BME also includes enriching learning activities for our students like Cooking, Gardening, Outdoor Education, Music class, Robotics and more! We believe in educating the whole child academically, spiritually, physically and socially. Come see the difference BME can make in your child's education and life!

Refreshments will be served. Register by June 1st to receive a \$50 discount. Hope to see you there!
