*"We are all just walking each other home"*

- In loving memory of -  
**LANCE CAMERON DUNNE**  
*May 31, 1962 - January 16, 2024*

I Hope There'll be Pine Trees in Heaven  
I hope there'll be pine trees in Heaven,  
And mountains all covered with snow.  
With plenty of room to stretch out in,  
Like we have here in Idaho.  
I hope there'll be pine trees in Heaven,  
To shade the clear streams where they flow.  
With water that's nectar for drinkin',  
Like we have here in Idaho.  
I love all the hills, streams, and valleys,  
The thought of them gives me a thrill.  
And I think I could stand leaving this world,  
If I knew they could be with me still.  
And if there aren't pine trees in Heaven,  
I hope there's some place I can go  
Where they'll have all the things I'll be missin',  
Cause it's Heaven in Idaho.
