# INFO & FAQ

---

## WHAT IS SPORTYHQ?

SportyHQ is a web platform built to power sports facilities and governing bodies, run competitions, manage membership, websites and much more.

---

## WHY SHOULD I USE IT?

SportyHQ supports a number of features that empower not only Squash facilities but also Squash players. With live player rankings, tournament registration, player statistics, it helps connect Australian Squash players on one platform.

## HOW MUCH DOES IT COST?

Players can access SportyHQ for free. Facilities can choose from a range of modules to add to their free basic package to allow them to do more. More information on pricing can be accessed on the SportyHQ website.

---

## WHAT HAPPENS IF I DON'T USE IT?

Nothing! SportyHQ is intended to enhance Squash in Australia and is entirely optional.

## WHAT ABOUT PRIVACY?

SportyHQ adheres to its Privacy Policy, available on its website.

Your information, including any private details, is safe and what is shared with who can be controlled by the user.

---

## HOW CAN I GET HELP?

Squash Australia has created a number of resources for the Australian Squash community.

These can be accessed on Squash Australia's website:

[www.sportyhq.com/sportyhq](http://www.sportyhq.com/sportyhq). If

you're still having issues, please use the contact details on the page to get in touch.
