## Dear Aunt Nancy,

You are my hero. You inspire me to be the best version of myself. I love you for that. You showed me how to strive when times were the worst they can be for me. Knowing that from birth you had to fight to survive and throughout your natural born life you had to fight - if you can do it, auntie I know I can. Even though your fight has come to an end, I am still your biggest fan. You mean the world to me.... I love you to pieces...the world is not the same without you in it.

With love,  
*Danielle Cobbs*

## Life Is But A Stopping Place

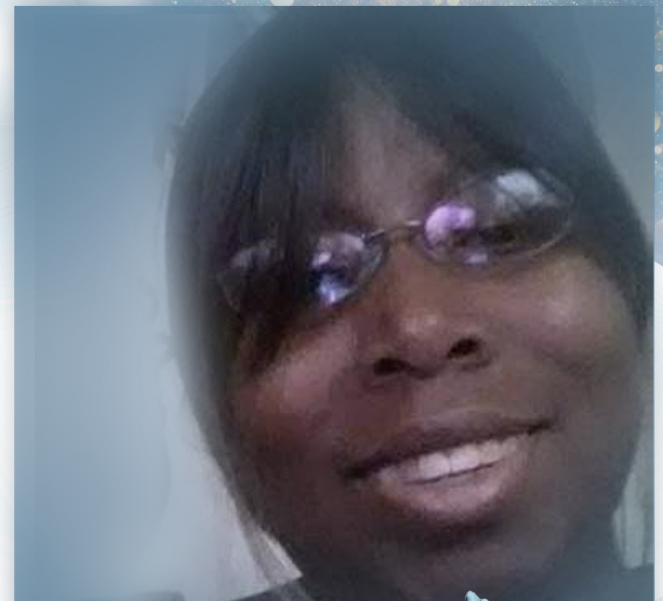

*Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road,  
To sweet eternity,  
We all have different journeys,  
Different paths along the way,  
We all were meant to learn some things,  
But never meant to stay...  
Our destination is a place,  
Far greater than we know.

LOVED BEYOND WORDS. MISSED BEYOND MEASURE.

## To A Dearest Mother

If I could visit heaven  
On this my saddest day  
Maybe for a moment  
My pain would go away.  
I'd put my arms around you  
And whisper words so true  
That living life without you  
Is so very hard to do.  
We cannot bring the old days back  
when we were together.  
But loving thoughts and memories  
Will stay with me forever.

## Her Story

Dannette Delaine Cobbs affectionately known as Nancy, has crossed from this plane of reality to the next, on February 23rd, 2023 at the age of 50 years old. Nancy was born May 29th 1972, to Annette Cobbs and Lawrence Smith in Philadelphia P.A.

Nancy had a love of video games and animation that transcended time from her childhood to her adult life amongst other hobbies. She was a woman who, despite her hard hand in life, still managed to care about others and make them smile. She was a secret keeper for those who had secrets to selectively share. She was a therapist of sorts to those who came to her to talk or vent and vice versa when she was the one in need. Nancy was someone who helped to make quite a few good memories with those who got to meet her. She had big dreams. While Nancy unfortunately didn't reach them, she passed her ambition on to her relatives around her, that had the great pleasure of knowing her in life.

Nancy... the fierce daughter, mother, sister friend, and aunt is survived by, her daughter Jy'Niah Thompkins-Cobbs, her mother, Annette Cobbs, her sister, Janel Cobbs, her brother, Jeffrey Cobbs, her best friend Tawanda, numerous nieces, a nephew, great nieces and nephews and many more family members, and a shared cat named Skylar.

Lovingly Submitted,

## Letter to My Sister in Heaven

They say there is a reason,  
They say that time will heal,  
But neither time nor reason,  
Will change the way I feel,  
Gone are the days  
We used to share,  
But in my heart  
You are always there.  
The gates of memories  
Will never close;  
I miss you more than  
Anybody knows...  
Love and miss you everyday  
Till we meet again  
Always & Forever
