Student-led Conferences

Your child has prepared a sample of work to show you that illustrates his/her learning and progress during the first quarter. We'll only have a short time for this "show and tell", but we hope it will be enough for you to see specific improvement your child has made, and will be a time for positive encouragement. Thank you for taking time to attend. **Photos:** Last week we learned

about two types of camels, and had a fun zoom lesson on watersheds from our salmon instructor.
