OBITUARY

Juana Mone' Pitts was born on September 8th, 1963 to Hudson and Lillian Pitts who both preceded her in death. She was the youngest of 5 children, born many years after their youngest son, Duval, also deceased.

Juana's other siblings, Andre, Kenton and Carla also preceded her in death. She leaves her only living brother Rene' to mourn her passing.

Juana attended Detroit Public Schools, graduating from Mumford High School in 1981. She attended college in Atlanta, Georgia for a time, then returned home to attend Eastern Michigan University.

She worked as an Administrative Assistant in a number of sectors throughout her career, until poor health forced her into disability.

Juana was raised in the Christian faith: as a child, a member of Carter Metropolitan CME Church and later in life at El Bethel Church.

Not having had children of her own, her dolls, Arlo, Angela and Mrs. Beasley were her precious babies.

Juana didn't let her health slow her down, always attending important moments with family and friends. Her generous spirit drove her to craft beautiful and thoughtful gifts and her loved ones. She was always innovating new designs and truly personalized treasures.

Juana's health finally took its toll and her poor body could take no more.

She died on Friday, June 2, 2023.

She leaves Brother Rene Pitts, Nieces Carmen Gale-Garcia (Dave), Sonja Crosby-Maccagnone (Mark), Angela Hooks (Mack), Tracy White, Jena Pitts, Charina Pitts, Tammy Pitts-Williams (Damar), Tatanisha Pitts-Worthey (Derrick), Cassandra Pitts, and Lisa Pitts. Nephews: Kenton Pitts, Antoine Pitts, Hudson Pitts, Eric Johnson (Courtney), along with Lifelong Friends Karen Robinson, Leslie Joubert and Kim Davidson to keep her memory alive.

There is a long list of other family and friends who will also remember her fondly.
