GOD hath not promised  
    Skies always blue.  
    Flower strewn pathways  
    All our lives through;  
God hath not promised  
    Sun without rain,  
    Joy without sorrow,  
    Peace without pain.  
But GOD hath promised  
*Strength* for the day,  
    Rest for the labor,  
    Light for the way.  
    Grace for the trials  
    help from above,  
Unfailing sympathy.  
*Undying love.*
