Obituary

Rubie Hearn, 69 years of age passed away on Friday, November 15, 2024. Rubie was born in Vicksburg, Mississippi to the late Louis and Roberta Anderson. She was one of eight children, two preceded her in death.

Rubie married the love of her life on August 25, 1977, Lamar Hearn and two daughters were born to their union of marriage. She was a doting grandmother to her four grandchildren; Kévan Owens, LaNiya Linville, Skylar Linville; Madison Linville.

Rubie loved learning and was a brilliant student that always graduated with honors, at the top of her class making her a permanent fixture in the National Honors Society. Her formal education includes-Bovina Elementary School, Warren Central High School, Alcorn State University and Buffalo State University where she completed her Master's Degree.

Rubie leaves to cherish her memories, her husband, Lamar Hearn, and their two beautiful daughters, Jessica Hearn, and Latrisha Hearn, her four grandchildren; Kévan Owens, LaNiya Linville, Skylar Linville and Madison Linville. She also leaves behind a host of family and friends from both the Anderson and Hearn families that were related either by relatives or through marriage; she was loved and cherished deeply by both sides of her family.

***** Rubie Hearn (Eulogy)*****

Rubie was a fierce and loving woman who was always there to guide and support her loved ones no matter the time of day. Whether it be through prayer or heartfelt words she was there.

She lived her life happily as a wife and mother, from a stay-at-home mom, to owning and running a home daycare, then entering the traditional work force in the banking industry before transitioning to Erie County Civil Service where she worked to service her public and community until she retired. She did all of this while supporting her family with ease, pride, and a smile on her face.

Rubie spent her retirement years living life to the fullest through simple pleasures, chatting with friends and family, cooking, traveling, praying for others, and spending time with her grandchildren. She had an uncanny ability to reach people in a deep and positive way, leaving that person feeling loved and adopted into her circle of family forever. Her loss is not something that was expected so the place she filled in so many lives will feel grief at missing her tremendously.

While we grieve about missing her light and love in person; we can rejoice that she will no longer be in pain and is up in heaven with our Lord and Savior.

To My Family Safely Home

*I am home in heaven, dear ones;
Oh, so happy and so bright.
There is a perfect joy and beauty
in this everlasting light.*

*All the pain and grief is over,
every restless tossing passed;
I am now at peace forever,
safely home in heaven at last.*

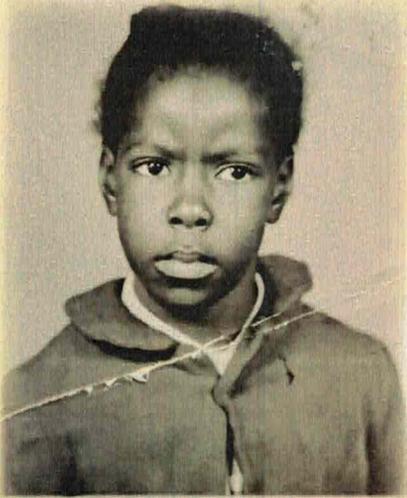

*Did you wonder how I so calmly
Trod the valley of the shade?
Oh, but Jesus' love illuminated
Every dark and fearful glade.*

*And He came Himself to meet me
in the way so hard to tread;
And with Jesus' arm to lean on
could I have one doubt or dread?*

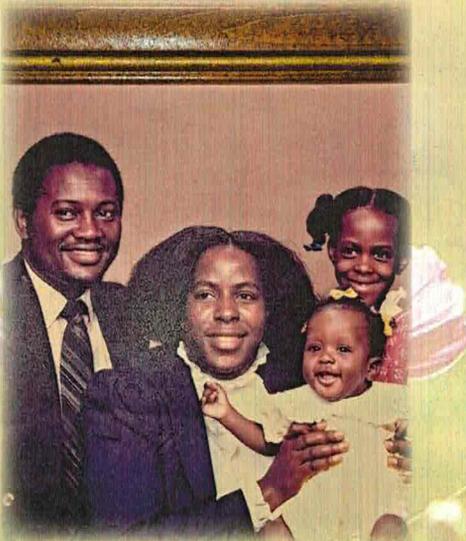

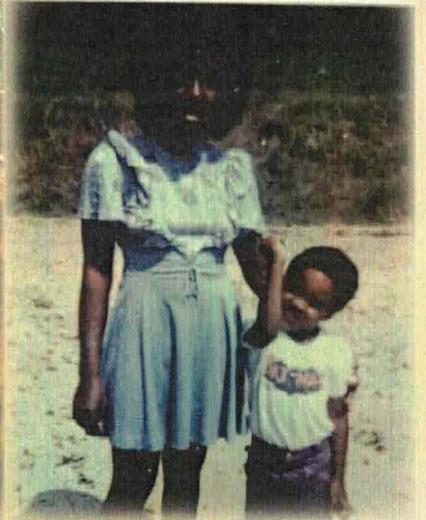

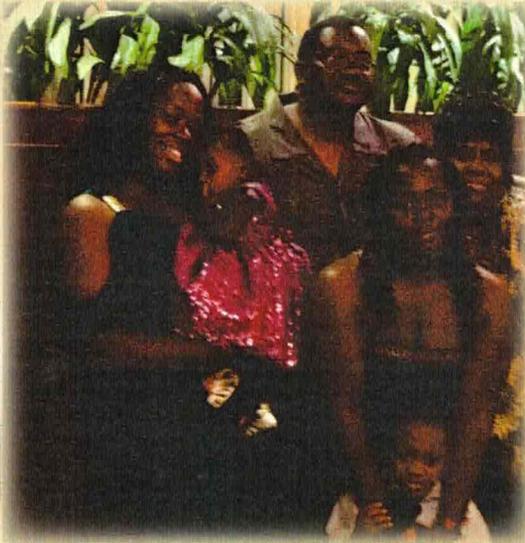

*Then you must not grieve so sorely,
for I love you dearly still.
Try to look beyond death's shadows;
Pray to trust our Father's will.*

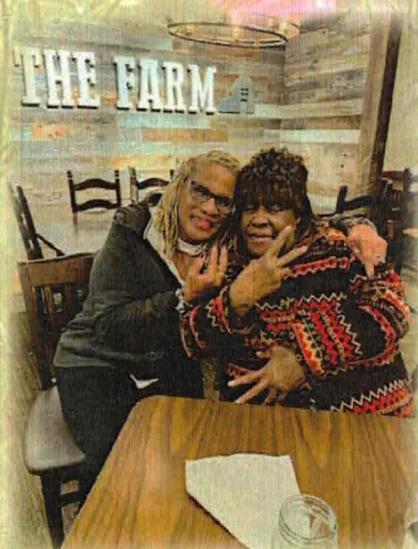

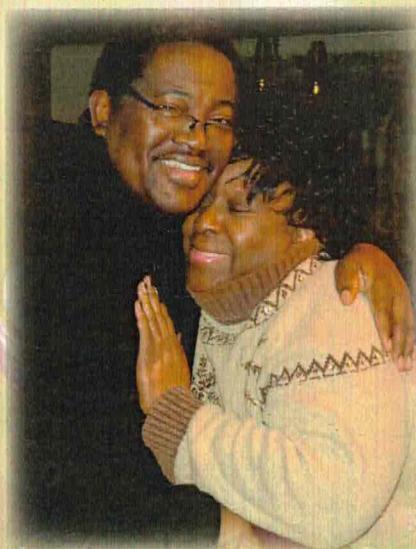

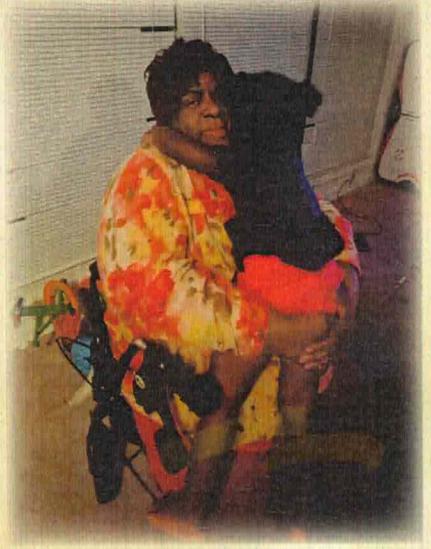

*There is work still waiting for you,
so you must not idly stand.
Do it now, while life remained;
you shall rest in Jesus' land.*

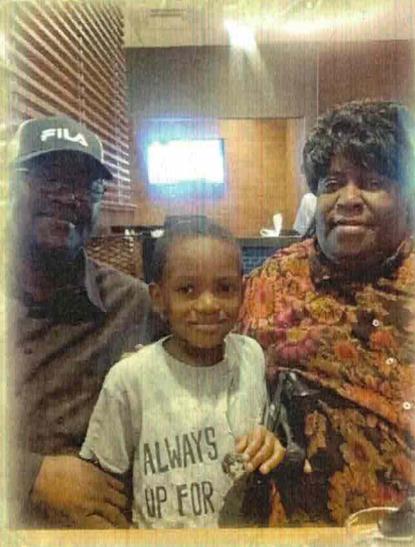

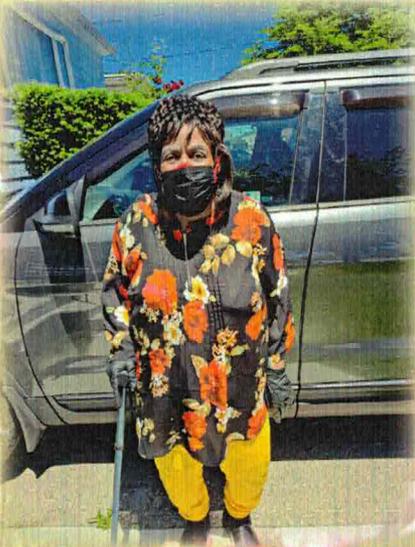

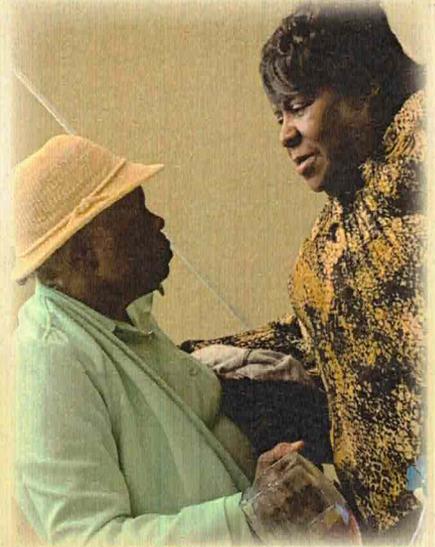

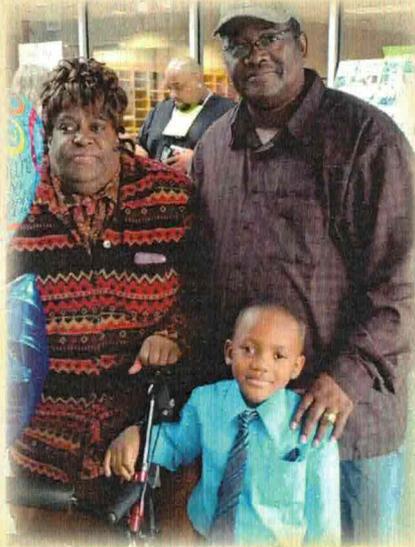

*When that work is all completed,
He will gently call you home;
Oh, the rapture of that meeting;
Oh, the joy to see you come!*
