

2021

As we emerge from lockdown...

Proclaiming Jesus, Changing lives, Serving our community

That is:

- Sharing Jesus with others in new and fresh ways.
- Turning a new page in the life of the Church.
- Blessing the lives of our neighbours.

As Christians we:

Worship God and lift up Christ in everything we do.

Learn more about the Christian faith and how to follow Jesus Christ.

Tell others of Christ and how through him alone we can have forgiveness of sins and peace with God.

Serve each other and the community.

Our **PRIORITIES** are...

- Children & Families work through All Saints and across the Parish.
- To revitalise Christian witness and worship in St. Antony's and Hamsey Green.
- Caring for people in the church and community.

Turning a new page:

The restrictions of the past year have meant doing things differently. We now have a God-given opportunity to renew and refresh our work for Him in all its different aspects.

We value our heritage and will build on that as we move forward into the coming months and years. But not everything will remain the same as before, and we will expect to make changes. Let us pray that God will give us grace to embrace the future in the new ways of serving and worshipping him.

Each one of us can be a part of God's mission by committing ourselves to developing the following godly habits:-

- 1) To **follow Christ daily** (in prayer and Bible reading)
- 2) To **speak boldly** (in proclaiming the message of Jesus Christ).
- 3) To **care deeply** (for one another and our community, providing hospitality and pastoral care).
- 4) To **tread gently** (respecting the environment and doing what we can to protect the planet).
