GONE HUNTING WITH THE MASTER

I've finished all life has for me.
I've been invited to the great hunting ground,
Where every day is a wondrous day to hunt.
To fill your heart with every wish.
Don't worry, or feel sad for me,
For I'm hunting with the Master of the Hunt.
We'll miss each other for some time,
But in time you will come and
We'll be with each other again...
That won't be long you will see,
'til we're together again, you and me.
For all those that think of me,
Know I am on a great hunt
And happy as can be.
Of those that wonder my missing
Tell them I'm gone hunting with the Master.
