## – Sheri De Howser Orchard –

Born Sheri De Johnson, May 25th, 1960, in Long Beach, California at the Community Hospital on Termino Ave. She lived in Long Beach for the first seven years of her life. Her Mother Maxine married Ray Howser then she moved to Granada Hills where she attended school. She loved to play the piano and taught lessons while in her teens. She had a daughter she sadly gave up for adoption, and was reunited with many years later named Sarah. She then married Jeffery Kaminsky and had two daughters; Stacie Rene and Hollie Dena. She married Tim Orchard and lived in Canyon Country for the last 20 years. She loved to cook and prepare beautiful delicacies. She also loved to decorate, especially for Christmas. She sold Avon products for many years. She kept a beautiful home.

Stacie loved baking with her mom, playing on the swing set when she was younger, and picking beans off the bushes next door to where they lived.

Hollie and he mom both loved anything sparkly! They also loved going to street races (legal and illegal ones lol) Hollie also introduced her to the tattoo world! Sheri ended up getting a few, one of which is a matching one with Hollie.

She left this world on Thanksgiving Day, November 23rd, 2023.

She is survived by husband Tim, Father Ray Howser, daughters Stacie, Hollie (husband Raja) Nagi, and Sarah (husband Brandon) Ogsaen, 6 grandchildren, Serina, Trinitie, Royce, Dillion, Taylor, and Aydan. She is also survived by sisters, Tiffanie, Kristin, Jacqueline, Heather, Carrie, Suzanne, Erin, Jessica, Hilary, Brittany, and Miranda.
