### **Her Journey's Just Begun**

Don't think of her as gone away  
Her journey's just begun  
Life holds so many facets  
This Earth is only one  
Just think of her as resting  
From the sorrow and the tears  
In a place of warmth and comfort  
Where there are no days and years  
Think how she must be wishing  
That we could know today  
How nothing but our sadness  
Can really pass away  
And think of her as living  
In the hearts of those she touched  
For nothing loved is ever lost  
And she was loved so much

**God, why are people so important to you? Why do you even notice them? Why do you visit them every morning and test them at every moment? You never look away from me or leave me alone for a second. You are always watching us!**
