*God saw he was getting tired
And a cure was not to be,
So he put his arms around him
And whispered, "Come with me."
With tearful eyes we watched him suffer
And saw him fade away,
Although we loved him dearly
We could not make him stay.
A golden heart stopped beating
Hard working hands now at rest,
God broke our hearts to prove to us
He only takes the best.*

Robert Alan Daniels was born on November 18, 1961 to Harold and Mary (Sands) Daniels in Neligh Nebraska. He went to elementary school and high school where he graduated from Ewing High in 1981.

After graduation, he returned to helping his parents on the farm and eventually took it over. Where he resided until his passing. Rob was known for the talents of fixing anything, working and moving pivots, plumbing, electrical and welding. He was also known for packing silage, planting, and harvesting grain. He also did custom work and helped the local farmers, along with backhoe work. He was willing to teach anyone that wanted to learn, he was a jack of all trades.

When he was younger, he was known to be competitive at darts. He also enjoyed four wheeling and taking trips with family and friends. He also spent a lot of time with his cats. Stew was his favorite. Wherever Rob went stew was there, on the tractor, on the four wheeler, or in the pickup.

He was survived by all his cousins, stew, and the farming community.

He was met by his grandparents, parents and others he met along the way!!

He will be greatly missed! Rest in Peace.
