Albert Schouviller*

THE FARMER

*He loved to till the verdant soil,
And watch his garden grow
But now he tills another spot,
A beauty spot I know.*

*He plows where fields are always green
With furrows straight and true,
And where the day is always bright
And life begins anew.*

*But we shall miss him here on earth
Until our day is done
When we shall be with him again.
When our rewards are won.*
