PRAYER MEETING

Your mid-week oasis--Prayer Meeting! Come drink from the Fountain of Living Water--God's Word--this Wednesday at 7 pm in the sanctuary. We are continuing our study on the parables of Jesus. Read Luke 18:1-8, "The Power of Prevailing Prayer" for this Wednesday's study. In light of the devastation caused by hurricane Irma that many are experiencing, let us remember that Luke 18 teaches us the importance of the persistency in prayer. Let us unravel together the spiritual mystery wrapped up in this parable of Jesus

PRAYER MINISTRY

The prayer ministry prays for a different family each week. We would like for the whole church to remember this family in your daily prayers as well. This week we will be praying for Shirley Smith.

Dear Apopka Church Family, No words could ever express my appreciation for the love and support you have shown to me after the passing of my beloved daughter Jinel. I will miss her loving nature and her beautiful smile in my life. Losing her has been painful and our Lord and Savior Jesus Christ is holding me up day by day. Your loving support through your prayers, your words of encouragement, your phone calls, text messages and visits as well as your Sympathy cards and flowers have been of great help to me and my daughter Jewel. goodbye, a "see you later." I am grateful that our Lord Jesus allowed me to have my daughter for the 23 years she lived in this earth. Even when my heart is broken into pieces and I am feeling like one piece went with my daughter's death, I find solace in God's promise that I will see her and be with her again in the glorious morning when my Lord and Savior Jesus Christ comes back again. On behalf of my family and myself a big Thank You! From the bottom of our hearts. Please continue keeping us in your prayers. We need all the strength and comfort the Lord can give to us in the days ahead.

Blessings,
Vilma Galva & Family

EDUCATION NUGGET

Upon all created things is seen the impress of the Deity. Nature testifies of God. The susceptible mind, brought in contact with the miracle and mystery of the universe, cannot but recognize the working of infinite power. Not by its own inherent energy does the earth produce its bounties, and year by year continue its motion around the sun. An unseen hand guides the planets in their circuit of the heavens. A mysterious life pervades all nature--a life that sustains the unnumbered worlds throughout immensity, that lives in the insect atom which floats in the summer breeze, that wings the flight of the swallow and feeds the young ravens which cry, that brings the bud to blossom and the flower to fruit. Ellen G. White book the education Chapter 10. As parents, we should teach our children to see that hand of God in nature and to appreciate its majesty.

A VERY SPECIAL THANK YOU!!

We would like to give a BIG thank you to everyone who came out on Tuesday, the day after the hurricane and helped cut down and move the four downed trees in the parking lot, and those that helped on Sunday to help clean up the church parking lot from all the downed trees and debris. Thank you so much for your help!!
