

## **Greetings Central Point Church Family:**

Recent events have impacted every facet of our lives to include our Church activities. Questions have come to me as to how offerings can continue to be donated to the Church. Please see the instructions I have included below:

1. Mail your tithe and offerings to your local church (not the conference office).
2. Give online or through a mobile app at Adventist Giving (See below for instructions).
3. Other options may include coordinating with your Church Treasurers (Pat Young, Grace Wilson, Beth White).

### **Adventist Giving Website Instructions: Visit the [Adventist Giving website](#).**

1. Type in your church in the search box. If your local church is not listed, contact your local treasurer/pastor to request that it be added.
2. Select your local church. Make sure it is your local church in order for the funds to be allocated correctly.
3. You will then enter the amounts in the appropriate boxes (tithe, local church combined budget, etc.)
4. If you do not see an offering listed in the different categories (Local Church, Conference, World), click on the link that says ***More Offering Categories***. This will display all available offerings. Select any other offerings you want to add and click *back to envelope*.
5. When you have completed entering the amounts, you will click the continue box at the bottom of the page.
6. You will then have the option to login, register or do a guest checkout. Choose the appropriate option.
7. When completing the payment options, we ask that you use the electronic check option if at all possible. This helps keep credit card fees down.
8. After setting up the payment options you will complete the additional prompts to finish the transaction.

For downloading the Adventist Giving mobile apps, click on the appropriate buttons below.

Follow the website instructions above for how to give.
