

Life Is but A Stopping Place

*Life is but a stopping place
A pause of what's to be,
A resting place along the road,
to sweet eternity.*

*We all have different journey's
Different paths along the way,
We all were mean to learn some things,
but never meant to stay....*

*Our destination is a place,
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.*

*And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the Lord.*
