Let's Worship Together – Virtually!

Though we've canceled our "in-person" worship services, we look forward to worshipping with you in our online worship services this Sabbath.

Though it's a different experience from being in a room together, we pray that God will use the words and message to speak to your heart. In the name of transparency, we'll say right up front that this may be uncharted territory for us and we are asking for patience as we learn and worship together.

We will be live streaming a Sabbath School Lesson discussion at 10:00 and the worship message at 11:00. Log on to North Valley SDA Church website and scroll down to click on Online Sermons. You should be directed to the correct page. You may also log on to the North Valley SDA Church Facebook page and see the link for live streaming at 10:00 and 11:00.

Let's stay connected! Let's worship together!
