Do not stand at my grave and weep,
I am not there, I do not sleep
I am a *thousand winds*
that blow,
I am the diamond glint on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you wake in the morning hush;
I am the swift uplifting rush
Of quiet birds in circling flight.
I am the *soft starlight* at night.
Do not stand at my grave and cry.
I am not there, I did not die.
