*Going home, going home I'm just going home
Quiet like, some still day I'm just a going home*

*It's not far, just close by Through an open door
Work all done, cares laid by Going to fear no more*

*Momma's there expecting me Papa's waiting, too
Lots of folk gathered there All the friends I knew
All the friends I knew I'm going home....*

*Nothing's lost, all's gain No more fret nor pain
No more stumbling on the way Going to roam no more....*

*Morning star lights the way Restless dream all done
Shadows gone, break of day Real life begun, Real life begun*

*There's no break, there's no end
Just a living on Wide awake with a smile
Going on and on I'm going home,*

*I'm just going home Its not far, just close by
Through an open door I'm a going home
I'm just going home.....
Going home, going home*
