Peace in Heaven

I wish I could have told you
My secrets and my fears
But once I started sinking
The days turned into years
Take no blame, for what I did
I failed to think of you
But right there in that moment
It seemed the right thing to do
I couldn't see things clearly
That love was all around
God's light was always with me
His voice was always sound
I'm sorry that I hurt you
But know that I am safe
I've found my peace In heaven
Forgiven by God's grace
Perspective here is different
On Earth, it's hard to see
That even though you're grieving
My loss was meant to be
One day we'll come together
Our souls will reunite
Then you'll know the reason
You cannot see tonight
Until then, hold my memory
But let your sorrows go
For pain is but a blessing
From which our spirits grow...
By Donna Schilling

In the Spring of Life
In the spring
Your steps took you were they might
A pray from the soul
Will keep you safe and warm
Let the light shining from your eyes
Guide you through the night.
To a son who is loved and dear to us all
We know in the spring of life
You can never fall.
In heaven up above, we see you our angel
Spread you wings and take flight.
And keep soaring to the light.
