

PRAYER TOPICS

WEEK BEGINNING 29th NOVEMBER 2021

This week there are four topics which I would like us to explore and pray about:-

EXPECTATIONS, PRIORITIES, PASSION, FRUIT

These need to be both personal and corporate. They also lead into one another.

Starting with expectations they should end with fruit. Firstly what do I expect God to do and say to me? What do we as a congregation expect God to do with us and through us? Do we expect God to talk to us when we are together?

Secondly, what are my priorities? Is God number 1? What are our priorities as a congregation? Is prayer and worship to our God top priority? Where does listening to God as a corporate body come on our list? Are the lives of the people outside our fellowship as important to us as they are to God? Do we pray regularly for our non christian friends and neighbours?

Thirdly, what is our passion with God? Children and youth work? Telling others about Jesus? Praying for various things? Serving others?

Lastly, fruit. What fruit am I seeing from my walk with Jesus? What fruit are we seeing as a fellowship from our walk with Jesus? Are souls being saved? Are lives being changed?
