Key Concept for Spiritual Growth

The outpouring of the Holy Spirit at Pentecost brought about two great miracles among the disciples. First, they saw the universal nature of the gospel (Act. 2:39). Second, the disciples learned that church growth depends not on what humans can achieve but on what the Holy Spirit can accomplish through the study of the Word, through the fostering of spiritual fellowship and through living a life of faith and witness.

**Guilt sucks the life out of our souls.
GRACE RESTORES IT.**

A happy saint is one who is at the same time aware of the severity of sin and the immensity of grace. Sin is not diminished, nor is God's ability to forgive it.
Rejoice in the Lord's mercy!
